CONSENT FOR TAKING AND PUBLISHING PHOTOGRAPHS AND /OR RECORDINGS

Citywide Eye Care (which includes any location at which it provides services and office staff) requests your permission to use photographs and/or video footage of your office visit or your child's office visit (collectively, "Recordings") for any educational, training, marketing, publicity, promotional or other purpose, in any medium whatsoever, (collectively, "Production") by Citywide Eye Care for any broadcast or other public viewing. Recordings may be used by Citywide Eye Care for its newsletters, brochures, presentations, social media and website. Such Recordings may be used as described above, in full or edited form, and may be incorporated into other recording or formats and may be copied for multiple distributions and/or broadcast.

Kindly note that you or your child's name will never be mentioned or attached to any of the aforementioned platforms.

I agree that I will receive no compensation or other remuneration for the taking, production, use, broadcast, and/or distribution of such Recordings or for my participation in any manner in such Production, and I specifically release Citywide Eye Care, office staff and all others from any liability or other obligation arising from the taking, production, use, broadcast, and/or distribution of such Recordings and from my participations in the Production.

I acknowledge that I have read and understand the above Consent and I give permission for my or my child's Recordings to be used by Citywide Eye Care.

We Care for Your Vision
